Thinking of entering European market?

Enterprise Europe Network helps small and medium companies to find business and partners across national borders.

We offer companies free EU advice services, partnership search for European business and technology transfer as well as for research projects. We continuously organise brokerage event during fairs to initiate business links between companies.

You can also subscribe free of charge to our online service where you will automatically receive information on new technologies and business opportunities within your business area.

Our services are carried out in collaboration with colleagues from 500 organisations in over 40 countries where Enterprise Europe Network is represented. Our services are free of charge for small and medium size enterprises. The activity at Swerea IVF is sponsored by the EU Commission, the Swedish Agency for Economic and Regional Growth and the Local Council.
